We have held many BHS exams and a few Pony club tests throughout the year with some fantastic results from both our students and our clients – congratulations to everyone on the achievements this year – we pride ourselves on being here to help train and support all our clients and staff to achieve their ambitions.

We would like to say a huge congratulation to Anne Dunham and Lucas LJT Norman for the fantastic results they had at their 5th Paralympics. Lucas came to Talland prior to Hartpury for some last minute training with Pammy Hutton. Anne has been training with us here at Talland for over 20 years; we are very pleased to be part of such a fabulous partnership.

“So far 2016 has been mind blowing, there's no other way to describe it- from Pammy & Charlie Hutton's Abira and I gaining a place on the Rio Paralympic long list, building a new partnership with The Lady Joseph's Trust Enggaards Solitaire, competing in my first PSG on Pammy and Lucile Webb Peploe's Amo and to top it off recently being selected onto the Lottery Funded World Class Programme and being placed 32nd overall and 7th best Brit on the world Paralympic rankings.

I think I can certainly say my life has turned itself around since the summer of 2012. I wouldn't be where I am today without Pammy, Charlie, The Lady Joseph Trust and the incredibly hard working team at Talland keeping the show on the road, for this I am extremely grateful.

Now the winters in full swing, the time has come to pack the practice in with my riding, combined with the Physio work I do at Oaksey House.”
“You are confined only by the walls you build yourself”

Congratulations to Alice Finch who is one of our instructors here at Talland both Alice and ‘Calvin Klein Himself’ have had a busy year competing with brilliant results and a lovely write up in the Horse and Hound.

We have had an exciting year at Talland with the different days/courses we have been running including the Dressage 'Spa' Day which has been a big success – it is an excellent way to improve your riding/knowledge and get the chance to ride one of our advanced schoolmasters – this has been increasingly popular along with our Adult Pony Camp. We will be running more of these days/courses in the New Year so keep an eye on our website for the new schedules.

We have also had lots of fun this summer recording with Horse and Country TV for the Blue-chip All Star Academy. You can watch the series on Horse and Country TV website if you did not catch it the first time round.

Pammy's also been filming with [Horse and Country TV](#) presenter Jenny Rudall for her new show - Rudall Rides with Pammy Hutton.

Check out this clip from the show - shows how amazing the Talland horses are and how much fun dressage training can be.

Last but not least we all had an exciting time at the Cirencester Cotswold show – Pammy, Pippa, Davy and Sofia preformed an interesting Demo on both days over the weekend.

We are still on the lookout for 2 new advanced school horses to join our fabulous team. Talland has been very lucky this year with the arrival of new school horses belonging to two of the top names in the country Carl Hester and the equally famous Catherston Stud.

We also have space for a few more liveries to join our team, make the most of the winter with our indoor school and onsite trainers to help get you competition ready for the New Year.

As a Talland family we are so proud of Pippa's achievements in representing Great Britain in the inaugural Under 25's European team with the best team score on Stephen Day's and Pammy Hutton's Belmondo.

Pammy and Pippa Hutton's Dressage Clinics

Don't miss out on Pammy's and Pippa's clinics in the New Year, dates will be listed on our website and bookings can be made either over the phone or through email. Come to Talland and improve your riding on your own horse or on one of our schoolmasters.

The rest of the Hutton Family had a great year, Charlie's demo at Badminton with Abi who enjoyed much competition success and the series with Olympian Tina Cook were very well received. We were also very proud of his masterclass Xtra on Horse and Country.

Brian and his team of helpers laboured long throughout the summer to provide sufficient fodder and bedding to keep the horses and our loyal band of livery owners happy. Among his contented clients he relishes his sessions with Denman ably piloted by Charlotte Alexander who had a brilliant season team chasing.
